White Bluff Property Owners Association, Inc.

Dear Property Owner,

Please read the following and submit your proxy by completing the short electronic proxy form attached.

You will see below the candidates for the White Bluff Property Owner's Association Board of Directors. These gentlemen represent a wide variety of experience, knowledge and interests. They are the slate of candidates chosen by a nominating committee of 23 property owners.

The 2014 WBPOA Nominating Committee recommends the following property owners as candidates for the six director positions (click name for bio):

- [Mike Ward](#)
- [Robert Woods](#)
- [John Bass](#)
- [Don Ford](#)
- [Wayne Findley](#)
- [Ron Roberts](#)

The present WBPOA Board of Directors gives its support and will cast all proxy votes for the slate of candidates mentioned above.

Please note one change to the list of candidates. An earlier email had listed Don Radke as one of the candidates. Unfortunately, Mr. Radke's work and other commitments do not permit his participation on the BOD at this time. In his place, the Nominating Committee submits Mr. Ron Roberts as a candidate for the Board.

The 2014 annual meeting of the White Bluff Property Owners Association will be held at the New Course Pavilion on Saturday, May 17th beginning at 10:00 a.m. Please make plans to attend.

This year's meeting is, by far, the most important annual meeting in the history of the White Bluff POA. We did not have a quorum (25% of the members represented by proxy or appearing in person) last year and therefore no official business could be conducted. No voting could take place and therefore no directors for the next term were elected.

One property owner, Daniel Saturn, has solicited your proxy for the last few years. In this year's request, he clearly states "Every year for the past four years, I've been entrusted with over a thousand proxies." In 2013, he did not file your proxies and thus that trust you gave him went totally ignored and unused. Whatever his agenda may be, asking for and receiving your proxy without then filing them is disingenuous. Surely the membership that entrusted proxies to him did not intend for him to hold them. Therefore, I am relaying this fact to the membership at large.

The obvious wish is for all members of the WBPOA to attend the annual meeting. There is no better time to learn about your association and have an active voice in its matters. But, the proxy is the next best thing. If you cannot attend, please return the proxy at your earliest convenience. Even if you plan to attend, you can send in your proxy now and reclaim your proxy at registration time on May 17th.

Thank you for your continued support of the White Bluff Property Owners Association. Please contact me or any of the POA Directors (Mike Ward, Fred Curran, Larry Groppe or Clark Willingham) if you have questions or comments.

Sincerely,
Milt Bergman
POA President
